Attention; please read carefully!

Excursions D and E will start and finish in Ljubljana at the Dolgi most parking place. Transportation from Logarska dolina to Dolgi most for people without cars will be organised. Driving from Logarska dolina to Dolgi most will take 2 hours. Since most participants are leaving the same day (27.9.) it is inconvenient to return to Logarska dolina. Moreover, also transportation to airport is much easier to get from Ljubljana. Therefore we kindly ask participants, who reserved rooms in Logarska dolina from 27.9. to 28.9. to cancel the reservations and book hotel / hostel rooms in Ljubljana. A taxi can be reserved at the hotel to get to the airport. It takes half an hour (30 km) to get to the airport. Bus transfer is also available (<http://www.lju-airport.si/vsebina.asp?IDM=100&ID=1811>).
